Dear Camper:

This year we are offering a “Camp Bank” to hopefully make life easier for the parents of our campers. Here’s how it works. We will have a Concession Stand open during camp hours for the entire week. The stand will sell Gatorade, Skittles, Airheads and various snacks for purchase by campers. Instead of sending your child to camp each day with money, you can make a ‘deposit’ in our camp bank in advance or during the week of camp, and your son can draw on that deposit each day. We will keep a record of his ‘account’ and whatever is left at the end of the week is returned to you on the last day of camp. In order to simplify registration, we ask that you send your camp bank money to us by July 31. **Please make checks payable to Norm Roberts** and include the form below. The average amount deposited by campers is approximately \$20/week. We have found that having money in the camp bank has been convenient because campers do not have to worry about misplacing or losing his money. Money can always be added during the week if necessary.

We hope taking care of this before camp begins will make registration a lot easier for you!! If you have any questions feel free to call Will Lanier at (718) 990-6225.

Mail checks and form to: Men’s Basketball Summer Camp
